To Miss Elizabeth Harvey
Westfield, N.J.
My dear little girl, You don't know how happy you make me by having Mother write that letter. I first got it to day and it is a most old hand writing. But when you told me of your accident as though the time was yesterday, I am so sorry you have been sick. Thank you much for writing long before this thought and I hope you never get another set burning aches. I am not going to bring you any old helmet or gun when I come back. These things are all
